

Greetings Insight families,

We welcome you to the Fall issue of Insight Advocacy’s newsletter. We are dedicated to continuing the work of advocating for inclusion and diversity in our schools and community. With that goal in mind, we are excited to share an overview of our upcoming events and community partnerships.

Our work continues, since summer we have:

- Met with D112 Admin to ask for the re-establishment of the Equity Committee
- Gave public commentary at the September School Board meeting
- Established partnerships with several community organizations

Together we know we can succeed in our efforts toward building a more inclusive North Shore. Thank you to each of you for joining us on this journey!
